SOFTWARE WITH
SAFT.PT CERTIFICATION

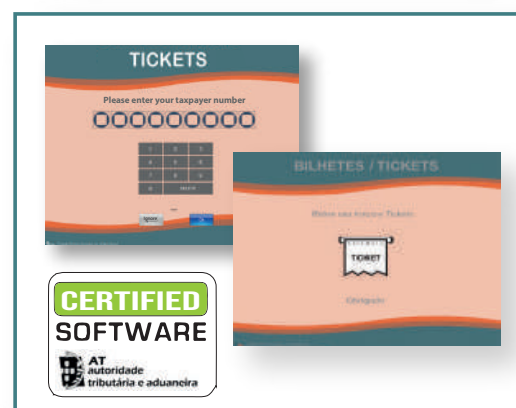

Self-service ticketing system with multiple payment types (cash, debit and credit card).

- The InnuxPay solution is prepared for each user, because this self-service ticket sales system for selling tickets to kiosks has the multi-language option (Portuguese, English, Spanish, French, German and Italian), making it accessible to any user.

- The InnuxPay self-service ticket sales system for kiosks allows the user to choose the way they intend to pay for their tickets, since InnuxPay has credit card payments (electronic payments) and with SIBS certification, as well as cash, banknote and coin payments.

- O sistema InnuxPay, permite ao utilizador, registar as faturas, relativas às aquisições dos bilhetes, uma vez que este sistema possui certificação SAFT-PT e AT.
